*My painting pursues the same goals:  
to create a sense of what you see, of the space between fantasy and reality,  
and exaltation of these senses.*

*So, my desire is to have an Art Lover who sees my Paintings,  
takes into consideration of my works of imagination....well suited to the modern day.*

*Yuliya Zelinskaya*

Well suited to modern days is the Art of Yuliya Zelinskaya.  
Grounded in both immemorial collective dreams and the individual will of individual bloom,  
Yuliya Zelinskaya gives birth to artworks dealing with Æther  
(as we learned it in Part One) ; Æther including the sublimation of the body, the ethereal body :

### ***Destined for Art***

*Oil on linen canvas, 100 x 80 cm / 39.37 x 31.5 in, June 2018*

The dynamic gallery of our soul leads us to jump, to dive into life, to jump to the point to paint, write, sing and dance our own calendars in osmosis with The Whole's calendar.

Daily & infinite, assertive we fuse with the Endless,  
answering its ethereal call a carnal YES of LOVE.

### ***The Nebula of Equality***

*Oil on linen canvas, 100 x 80 cm, 39.37 x 31.5 in, January 2017*

*As the essentialization via dilution  
Does not set on fire but relieves,  
Celestial the Artist rises to and reveals  
The existential challenge  
Of the matter's sublimation  
Via these bodies becoming light ;  
Fusional astral crystal paste  
Of an ancestral futureal Grace  
Whose Osmosis the cosmos and the Eternal  
Embrace*

### ***The Nebula of Trust***

*Oil on linen canvas 100 x 80 cm, 39.37 x 31.5 in, January 2018*

*Feeding each other's thirst for æther,  
Astral-anadyomene is the crystallization  
Of the fusion of our magma within.*

*Feeling each other's burst of Æther,  
Carnal confusion changes into the diadem  
Together we wear as a sphere of vision.*

*Now, devoid of delusion's mayhem  
Is our enigma within ...  
Leading us to at last abandon the bite of lust  
To dive into the Void  
Of the beat of The Nebula of Trust*

### ***Mind over matter***

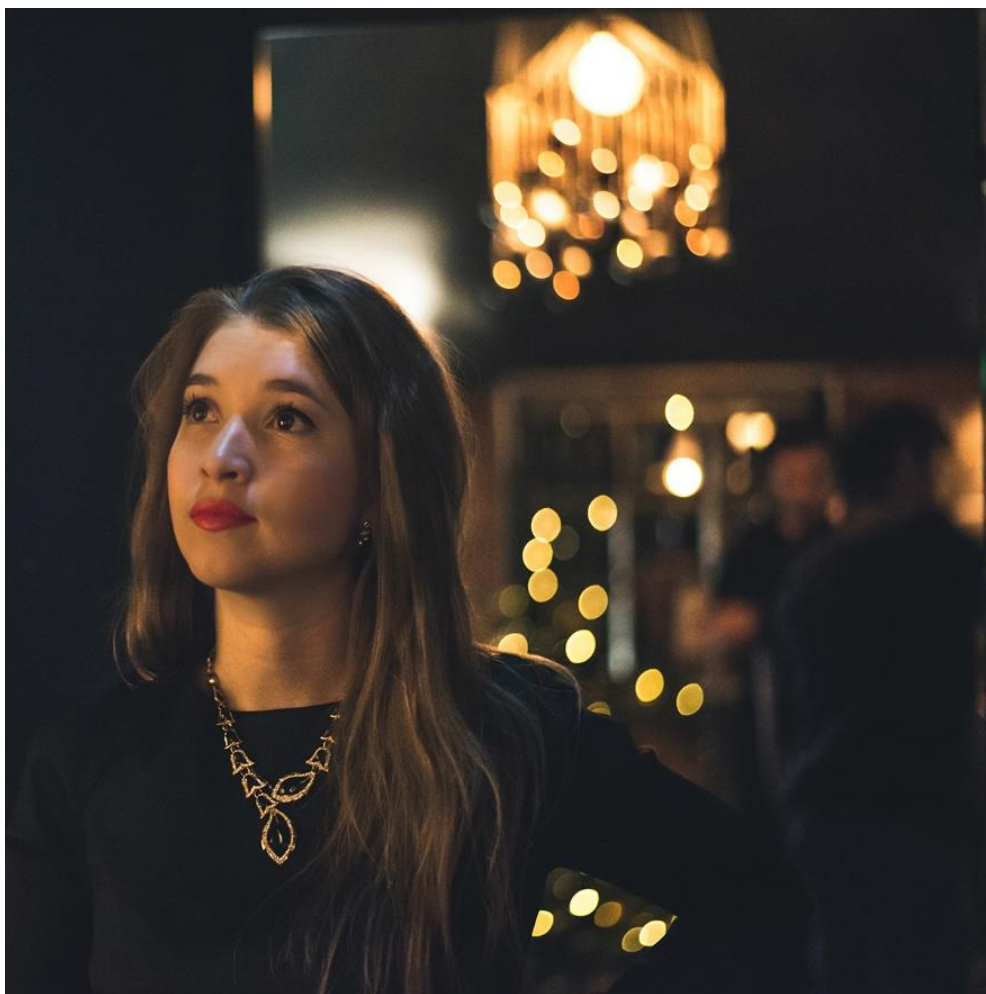

*Oil on linen canvas, 120 x 100 cm / 47.24 x 39.37 in, September 2018*

Yes, Yuliya Zelinskaya is necessary to the world because she presents and reminds the world's societies that our soul is infinite ; and these presentations and reminders include why and how she affirms that our bodies are made of light, can spread light and are destined to light.

As an Artist, she (re)connects us with the true meaning of love, and this meaning is carnal and celestial at the same time, as love animates both the soil and the sky.

Definitely feeding our hopes, Yuliya Zelinskaya helps us to pass the "modern days", to still be connected with what civilizations called and still call The Whole, The Gods, God, The Spirits... in two words : The Almighty.
